“ *Jeremy,*

*you were more than my cousin. you were like a bestfriend and a brother to me. I remember every time on our drive down to florida I would be so happy and excited that I got to see you. I miss hanging out with you man. I wish it didn't have to be like this. I miss you every day and every time I look at my tattoo. I know you're in a better place but there are days, well really every day, when I wish you were still here with me. I miss you a lot man. say hey to pepere for me. I love you J*

“ Jeremy,

*You were in my biology and reading class freshman year. You could always make me laugh and you were such a nice kid. It's too bad you had to go because you're so young and a great person. You'll always be in my heart and I'll see you again some day(:*

“ You, your family and Jeremy are in our thoughts and prayers. May God ease your burden and bless your house with his Grace. May peace replace despair that you feel now. Believe in Jesus Christ for he is our salvation to heaven.

We are very sorry for your loss and we can only rejoin you in remembering your love for Jeremy. Memories will keep Jeremy alive in your heart and bring you peace among friends.

We have witnessed the outpouring of love toward your family and Jeremy as witnessed by Mondays memorial to him. I will remember him as a member of Post 712, a police cadet, and as a gentle young person who was very polite and friendly.

God Bless you and your family.
