“ *Hey Friend! Since the loss of you've learned to live for each day And take it as a blessing Knowing it may not always be this way. Since the loss of you've learned that when everything goes wrong To never give up on what is right Because it can only make you strong. Since the loss of you've learned that even when you're in a lot of pain You've got to hold yourself together So you won't feel like you're going insane. Since the loss of you've learned how to hold the tears when I want to cry Because all I have is memories And just want to ask God why. But mostly, since the loss of you've learned a life can be taken in the blink of an eye And only Heaven really knows when That person will have to say "Goodbye."*
