“ Jerry was one of the most devout christian men I ever met. He was very dedicated to his family. He was passionate about his service in life to everyone around him. Very rare and special individual. He had great principles and was absolute shining example for us all. He will be deeply missed by me. I loved being with him in this life and look forward to seeing him in the next. God bless this great saint. This world lost a great man.

“ To the Family,
Our sincerest sympathies to all of you on Jerry's passing. He was a vital man whom I have not seem since he was a student at New Hartford Central School and I a teacher. His life , though, shortened, seems to have been a rewarding one. May he rest in Peace with the Lord.

“ One of the kindest and sweetest people I've ever met. I was still texting him..He always answered me, but did not the last couple of weeks. I was still hoping he would pull through! My sincere condolences to his family, fiancée and friends. I would have been at his funeral, had I not been in Texas.

My heart and prayers are with you all!!

“ *I've known Jerry since The Joey's days. After moving out of town and not seeing him for the better part of ten years I was lucky enough to run into him earlier this year and spend a little time with him. Still the same guy I first met years ago...Contagious smile, big laugh, good heart and a stand up guy. I feel fortunate to be able to say he was a friend.*

Oh how we missed you all when you moved to South Florida. What shocking news to hear that Jerry passed. Much too young, full of life. He had his dads wonderful smile! We offer prayer and condolences at such a fragile time. May God Bless you all and console you as you grieve. May Jerry's memory be ETERNAL! I will light a candle in his memory...With much love, Darlene, Joe, Marge, Joey, Mitchell & Jamey Nimey*

“ Words cannot express the sorrow I feel for Jerry's passing. I have known Jerry for many years through working with Mike, doing bridal shows, and just hanging out in the office. Jerry was the DJ at my wedding in 2005. I remember he was originally busy that day and I said I would reschedule the wedding just to make sure Jerry could be my DJ. We are planning to renew our vows in 2015 and were planning to have Jerry there too. It will definitely not be the same without him. The world has lost a great person but Heaven has gained a great Angel. We love you, Jerry.
