“ *I know Joan back in the mid 90's when Jack and I were at Ohio State. Whenever Joan was around, her unique laugh and her big smiles were there all the time. The images are still vivid. When I visited her in November 2020, she told me she's not used to be taken care of... She always took care of others around her and put people under her wings. My family and I surely miss her deeply. We love you, Joan!*

“ *I meet Joan in the early 90's while working at Ohio State. Joan was always so much fun to work with and the life of the party. We spent many a lunch at El Vacara. I was lucky enough to see her 2 times this year. She will be very missed by her friends and family.*

“ I met Joan at Methodist hospital as ICU nurses. We quickly became friends and shared a 45 year adventure together. We follow Joan everywhere to visit from Sharon Massachusetts to Columbus Ohio to Lubbock Texas and then of course Houston where we live. I am so glad I got to see Joan late last year in Florida. We did river trips together on the Guadalupe so many good memories and fun to share there. Camping trips trips to New Orleans and so many more. I will truly miss her.
