

JoAnn Dube

January 13, 1947 - September 2, 2019

On Monday, September 2, 2019, at 7:48 am JoAnn Dubé passed away in our apartment in Los Angeles, CA. We moved out to California from Florida to be closer to our adult children once we received her terminal diagnosis. She was a loving and devoted mother to her three children; Mia, Jack, and Christy, as well as a loving and devoted wife to her husband, Deacon Serge, of 23 years.

JoAnn was born on January 13, 1947, in Canaan, CT. She received her degree from Southern Connecticut State University in Art Education. After college, she spent one year in New York City exploring fashion design but did not find the city life to her satisfaction so returned home to the northwest corner of CT to teach art for one year at the high school level. Her artistic passion though was better channeled in designing and building homes, taking after her father, Fiorello Segalla who was a builder.

JoAnn's children were the center, light, and love of her life. She designed and built homes, created rental properties, and for a time started home daycare so she could have the time to devote to the raising of her children. In the Summer of 1997, JoAnn and Deacon Serge with their children moved to the east coast of Florida, Jupiter/Palm Beach Gardens area, which would be their permanent location for the next 22 years. Mia, Jack and Christy, after

graduation, all ended up moving to California.

JoAnn had a passion for life. She loved babies and puppies and was overjoyed the four years that we were able to breed and raise Golden Retrievers. The Bible verse that embodied JoAnn's life is from Micah 6:8: "You have been told, O mortal, what is good, and what the Lord requires of you: Only to do justice and to love goodness, and to walk humbly with our God."

JoAnn believed in the dignity of all life from the moment of conception until natural death. All life at every stage she felt ought to be afforded the right to be taken care of and treated with dignity and respect. She was passionate about justice for all people.

JoAnn showed this in her everyday encounters with people striving to reach out with a smile, a simple compliment of affirmation, or to help someone solve a problem. Her ministry at our parish of St Peter was as a greeter, so it was a natural fit for her. She believed very strongly in every problem having a solution and worked tirelessly to find that solution. She also loved to give gifts to people whether that was in small material ways or through her acts of kindness.

JoAnn believed our purpose here on earth is to love one another. This was on full display right up until the final days of her life, when Hospice nurses came in eight-hour shifts to take care of her the last week. She constantly was making sure they were comfortable, had enough to eat, not too cold and the

like.

One of her greatest joys over the past two years was being a part of our weekly small group at St Peter Catholic Church. The friendships and relationships she developed there were invaluable to her and were such a blessing. JoAnn will be deeply missed as she has touched many hearts with her gentle ways of doing small things with great love. Yet she will continue to be a part of our lives and be with us when we do the same. As we catch the eye of another person we can smile, if there is someone in need we can provide our presence, we can reach out to encourage one another through affirming and lifting each other up. In each of these ways and more, the legacy JoAnn leaves us is to love, love, love.

“ *Deacon Serge and Family,*

We are so saddened by the news. We often think of the kindness, prayers, and compassion that your family offered to us in our time of need. Your thoughtful letter, and book sent to us in 2017, as well as the Christmas card sent to us in 2018 have been in display in our house since the day that we received them-never put away. And we still remember the hugs that we got from her after Easter mass this year.

God bless you all, and you will remain in our prayers for the comforting hands of Jesus Christ and the Blessed Mother to be upon you.

She is with the Angels watching over all of us.

*With love,

“ My love and prayers go out to you— Serge, Mia, Jack and Christy. Joann is my cousin and was a mentor to me when we were young. She always had a shining light about her, so creative and beautiful, inside and out. She was an inspiration to me and to so many others. Her beautiful light will shine on in our memories.

“ I have loved JoAnn like a sister ever since our husbands were in the seminary together. She was so easy to be with, so gentle and kind. We bonded with each other as our husbands bonded in their own way. I miss her already and i will continue to miss her as long as i live. Go with God and Rest in peace, my dear friend. 💜

“ Whenever I would be at church whether it was mass, a function, serving S.V.D.P. she always had a smile on her face. In the few talks we had I knew right away this was a special, warm, loving, gentle, caring, and truly God loving person. She had a way of just making you be comfortable and I always saw the Holy Spirit shine in and through her. May the arms of our Heavenly Father comfort you and your family.
