Josy's Obituary

On November 27th late in the evening, the world lost a truly astounding person. Jocelynn Cartland was one of the most loving, caring, and selfless people anyone could know. Many members of the community know Josy through her involvement in Generation Church as the Life Group coordinator, a marriage and relationship counselor and a welcoming face to all. Her legacy and devotion to God are carried on through her five children, four grandchildren, her mother and her loving husband, Brian.

So many people who knew Josy had a similar memory of her. Somehow, she always seemed to be the first in everything she did. She was always the first person to reach out to those in need, the first friend to those who truly felt alone, and the first to be at your door when you needed her the most. She lived her life by walking in the light of God and being his servant in every sense of the word. No matter the size of the job or the amount of need, she selflessly gave her time to fill the role of being a friend, a mother, a spouse, a caregiver, a patient listener, a conversationalist, a missionary, and everything in between. She loved everyone passionately and made every moment with her joyful. Her passing was a shock to the community and one that has left so many of her friends and family without words.

Josy's service will be held at the only place she would have ever wanted it, Generation Church, in Jupiter, FL, on Saturday December 17th. An open casket service with viewing hours will be held from 10:30am - 12:00pm, followed by a Celebration of Life service, from 12:00pm - 1:30pm. The burial service will follow, from 2:00pm - 3:00pm, at Riverside Memorial Park, in Tequesta, FL.
