“ *John, or Jack as he was called in his beloved Bay de Verde, Newfoundland, was a kind, gentle and faithful man. He loved to hear about his family and friends in his first home, and loved to be visited by our boys, Matthew and Andrew. We will be forever grateful to have known Jack and Rose. They have touched our hearts, and we will keep their memory alive. May the perpetual light shine upon both of you. May your souls, and the souls of the faithfully departed, rest in peace.*

*Say hi to Bride and Mol (his sisters) for us.*
