

John Randall Miner

September 7, 1935 - February 12, 2020

On Wednesday, February 12, John Miner, husband, father and grandfather, passed away peacefully, surrounded by his wife and daughters. He will be loved and missed forever.

In 1935, John was born to Lila and John Miner in Westerly, RI. He often told stories of growing up in rural southeast Connecticut where his family has lived for generations. He earned degrees in mechanical engineering and physics from Trinity College – Hartford.

His aerospace career began in southern California where he met and married Diana Noble, of London, England, 61 years ago. His career brought them from San Diego, through Cheyenne, WY, on to Colchester, CT, and ultimately to their home in Jupiter Inlet Colony, FL in 1977.

John is remembered as a hard-working man who enjoyed swapping stories and sharing laughs with friends and family. He could always be relied on to fix just about anything. He enjoyed living in Jupiter Inlet Colony, and served two terms as mayor, as well as serving on the town commission and the beach club board.

John was most proud of his four daughters – Diana Thulin, Ann Miner, Jackie Miner, Wendy Miner and husband Scott Ward, as well as his two grandsons, Jack and Ethan Ward. His family will treasure his memory.

In lieu of flowers, please consider donating to St. Jude Children's Research Hospital, www.stjude.org.

“ *What a great man and a great guy to have as a next door neighbor. I have such happy memories of fishing with him, helping him fixing up the old boat, as well as all the bonfire wood gathering for the Christmas Eve celebrations at the Beach Club. He could fix anything and was so helpful with all of my projects. I learned so much from him and know he will be greatly missed. My thoughts and prayers are with you, Will Lawler*
