“ John, I had the privilege of being your pediatrician until you got to high school. I will never forget your smile, spunk and personality. I am richer for having met you. Through the heartbreak there is the supreme happiness that you are with our Lord. To your family, thank you for having trusted me with his care. God Bless you all!

John, you were the best. Wil and I always loved being with you at your grandma and grandpa house every friday night. You added life to everything we did together. Connie and Billy, you can always be proud of this young man. He was loved by all who knew him. May he rest peacefully in the arms of our dear Lord.

Love and God Bless, Mary Rose
