John E. Romero

August 14, 1951-March 30, 2021

John Evaristo Romero, of Jupiter, Florida, was surrounded by his loving family when he passed away on March 30, 2021.

Born and raised in Miami, he was the son of Norma (Perez) Romero and the late John Sanchez Romero, and the brother of Martha Bueso. He attended Miami Springs High School and joined the National Guard upon graduation, where he served for 4 years. After his service, he started a long career with Florida Power & Light as a Lineman. During his 47 years of work, he relocated to Jupiter, FL in 1987 and ultimately retired in March of 2019.

John was first and foremost, a family man. His favorite title by far was "Dad". John loved the outdoors and shared that love with his two children. John is survived by his loving children, Scott Romero and his wife Tina, Stephanie Lewis and her husband Kellen; his mother Norma Romero, his sister Martha Bueso, and his cherished grandchildren Olivia, Luka, Lucy and Isabella.

“ I feel so blessed and lucky that I shared life with you for approximately 54 years. We together brought two beautiful children into the world who we both loved and always came first. Then blessed with four beautiful grandchildren. The first 35 years we shared together and then came to a crossroad but we were still able to share our time and we were always there for each other. Always a part of my heart so the sadness is overwhelming. The beauty of a person we love lives in our memories, our tears and our hearts. I will never forget you + always love you. Rest in Peace my friend, until we meet again.

“ *First and foremost he was my best friend in high school. So many memories hard to pick the best. Not when we went to jail together as teenagers , not drinking beer on the beach at marathon key or Johnny lightly bumping a car full of girls at a stop sign after school so we could met them although those are classic but I like when we were in West Virginia traveling down the curviest road in the world. Got stuck behind an old couple going about 15 miles per hours. The line of cars behind us was incredibly long. Finally I had a chance to pass- as I get beside them Johnny says slow down at which point he tells the guy his tag is falling off. He thanks us and pulls off the road. Everyone got around him and I do believe Johnny could have been elected governor of WV. Anyway I'll always have fond memories and a place in my heart for an awesome guy gone too soon. The world needs more Johnny Romero's Miss you !*

He never forgot you or the good times you both shared. One of his future road trips was going to see you out West.

“ I spent almost every weekend together with John, Marti and my brothers while growing up in Hialeah. Although we had not seen a lot of each other these last few years because we lived so far apart, John and I always remained close in spirit and his loss came as a personal shock to me.

My thoughts and prayers are with all the family and many friends. Rest in Peace John; I'll keep you in my heart until we meet again.

An idyllic childhood - what wonderful memories - that will never be forgotten. The most wonderful brother in the world - he was special and I know he is still right next to me.
