“ *I just happened to have been talking with someone about old times and the Big Apple in Tequesta, Florida came up, and then suddenly your name, and then suddenly the news of your passing. Russ, I worked with you there. You dubbed me "Junior" in the Big Apple kitchen, while you proclaimed your occasional culinary creations "Wold Renowned" because you made them. This displays your good-natured and very, very fun character. That was many years ago, the late 70s and early 80s, and we each went different ways. I'm glad to see you went on to live a happy and rich, albeit too short life.*

“ *I stayed at your home, swam in your pool and played with your 2 lab dogs. We ate together and enjoyed each others company. Russ you will be so missed, you will always be remembered and my thoughts are with Cory, your 2 children, brothers Ron and Rick ,your mom Anna,. and the rest of your family. My deepest sympathy. “ I just moved to The area just 9 months ago and met John at our basketball draft. He was so warm and friendly and helped me with some of the names! He was a class act and all the kids loved him. I just found out today when I saw someone from basketball. I am still in total shock just seeing him a couple of weeks ago! I will keep him and his family in my daily prayers!

“ Russ & I met in the late 70's when working at Club Spanky in Long Branch, NJ. We called him 'Big' Russ....and then he relocated to Tequesta to help David renovate the Big Apple Restaurant... Russ, you were so much fun, a hard worker and part of our Big Apple family! You are 'gone too soon'....My deepest sympathy goes out to your family, Cory & your children~Your memories will live forever in our hearts~ May you rest in peace~ Love, Debbie

“ Was a real pleasure to have the chance of knowing you. Always honest and hard working, we will miss you much. It is very sad that such a great man's life was cut so short.

We remember you coming to visit us every now and then at the showroom with your new projects, always smiling and fun to work with. You always had such kind and loving things to say about your family.

We will always remember you and your family is in our prayers.

“ Russ,

Thank you for being so wonderful to my boys. You encouraged them to be the best they could and always made them laugh. I am so honored to have known you. I will miss you dearly! As Adam said, the only thing that makes sence is that God needed a new pool and coach for all his angels. You are the best and are missed by all who knew you.
