“ *I have known Michael since elementary school. He has always had a love of music and secretly he enjoyed mathematics and astrology. He has always felt that Andrew and Melissa were his best contributions to this world and Maria was his most solid rock. He had a love of all people and had a funny sense of humor. He loved growing up in Jupiter, the water, the people here and his Family. He admired greatly his Mother whom he felt was unconditional in her love and support of him and all his siblings and the grandchildren. Although physically gone, his spirit will live on in all our memories of him and in Melissa and Andrew! My heartfelt thoughts and prayers are sent to the entire Taylor Family.*

“ *So sorry to hear this devastating news! Much too early for such a fine man to leave. He has left his physical body but he is still very much present and appreciating how many are sending him all their love. My condolences and love to Maria, Andrew and Melissa. Don Arney*

“ Mike was such a gentle soul. We will cherish all those beautiful memories when our kids were growing up. Mike would take them fishing, teach them to play the guitar, take them to the park..... When the four of us would get together for a nice dinner, or go to parties and have a good time. Mike may you rest in peace! Our deepest condolences to Maria, Andrew, Melissa and the rest of the family.
