“ *Marjo: We are so sorry to hear about John's passing. Scott and I have fond memories of popping around (on the boat) to visit you at AYC, and I remember you both trying to hide from me on an airplane, once. He loved you madly and I'm sure your heart is broken. The world lost a happy, loving, gentle soul. We are thinking of you and praying for you. Please know how sorry we are for your loss. Much love, Scott & Julie*

“ My Dearest MarJo, just learned from Becky of John's passing and I am very saddened by the news.<br />He was, by far, a good man. Wicked smart, absolutely hilarious and loved his MarJo. I cherish all those memories from long ago.<br />My sincerest condolences to you and the family in these hard times. <br />Below is a quote I've gone to when I need to be uplifted in times like this. I hope it brings you comfort...<br />"Grief never ends.... but it changes. It's a passage, not a place to stay. Grief is not a sign of weakness nor a lack of faith... It is the price of love".<br />With deepest sympathies... Love, Gary R.
