“ Claudia, I was sorry to hear of Al's death. It was great seeing you both over the fourth of July and I'm sure Jay enjoyed having such a great time with her brother during that time. I have many great thoughts and memories of Al over so many years. You both have always been a joy to be around with Al bringing a great spirit of happiness to all. Al really seemed to enjoy life and was a blast to be around. We will keep you and your family in our thoughts and prayers during this time.

“ I have so many fun memories of Al. All of the wonderful Christmas's at Jay and Papa Bill's House. And the time we drove to Jupiter for Thanksgiving. Al was always smiling and laughing, always seeing the good side of life and sharing his positive spirit with everyone. Al always had his dog with him and was such an animal lover. I doubt Al ever met a stranger. This is a great picture of him and captures his funny smirk! I know he is enjoying seeing Bronco and Nana Bee again. But he will be missed here. Claudia, Todd, Chad and Jaybird, I love you all and am so sorry for Al's passing. I know you will all miss him deeply and I wish I could be there to hug each one of you. Please know you are in my heart and I am sending my love and prayers your way.

“ I just heard about this. I'm so sorry I didn't make the funeral. Al was such a fun person. Whenever I remember working at FPL, I will always remember Al and what a great, optimistic attitude he had. He was such a fun person. I remember going to several parties and watching Al do the "gator" and Claudia smiling and cheerfully going along. Although I haven't been in touch for years, it seems like yesterday. I'll surely miss you.
