“ Happy heavenly birthday Scott. I wish I could have seen you one last time. Life goes by too quickly. I passed by our old place this morning, wished you happy birthday, and "knockin on heaven's door came on" I knew you were there in that moment. You were a beautiful light to many people. Love you Scott.
Love, Shannon

“ Uncle Scott, I feel like it's been ages since you've been without us and my heart still aches with pain. I find myself in a very bad state just lying down sobbing because of how much I miss you. This world feels so empty without you. I love you so much ❤️
