“ *I have many memories of Jon Paul, lots of smiles. Jon Paul was full of courage and fight, more than I have ever witnessed in my lifetime. He loved his family, hunting, fishing. Jon Paul lived life to the fullest. We will miss him, knowing I will see him again gives me much comfort. I will miss his emails and cherish the conversation we had the past few years. I also cherish all the fun we had as teenagers, and the experiences he led me into lol I shot my first gun with Jon Paul, ate a watermelon in the middle of a watermelon field that was hand-picked by Jon Paul. Thank you Jon for helping me to be the person I am today, will miss you!*
