

Jose Z. Izaguirre

January 11, 1938 - February 21, 2022

Jose Z. Izaguirre, 84, passed away on Monday, February 21, 2022, surrounded by the love and care of his wife and children at his home, in Jupiter, FL. While he accomplished so much in his life, his greatest achievement is his family legacy. He is survived by his wife of 50 years, Amanda, sons Joseph and Alexander, daughters Karen and Roxanna, and twelve grandchildren: Alessandra, Raquel, Elizabeth, Francisco, Alexander, Spiros, Xavier, Joseph, Christian, Cameron, Dylan and Owen.

Jose was born in Puerto Cortés, Honduras before moving to New York City to seek a better life. He valued education and showed appreciation for his opportunities by being disciplined and working hard.

Jose believed in himself and inspired those around him to do the same. He and a few of his relatives and friends were the founders of the Honduran Association in New York City. For many years he served as president and organized events to help his fellow Hondurans in the U.S. remain connected. His commitment to community was evident by the numerous fund-raising efforts aimed at sending resources to Hondurans in need and supporting the immigration of new Hondurans seeking opportunities in the United States. He was a patriot, always demonstrating support for New York City, the nation and the armed forces of the United States.

Jose was an avid player of Solitaire, Monopoly and, especially Scrabble; and, he really enjoyed going to the movie theatre, so much that it was tradition to go with his children on Christmas Day. He developed a special love for IHOP, inviting his children and grandchildren to join him for his coffee and pancakes. He was the biggest jokester, always making people laugh or poking fun at his family. His humor would shine through the most in the nicknames he gave to his family and friends. He would pick up the phone and answer with “Mrs. Mickey’s residence,” and he called his son Alexander “chanchito” and daughter Roxanna “chanchita.”

“ My dear uncle, oh how I loved your witty sense of humor. My favorite memory was when you would dangle \$ and told us “if you catch it with only two fingers you'll get to keep it” we never could do it but you always rewarded us for the effort \$\$

I Jose Ángel called him "don chepe" and Lillian called him compadrito since we are the godparents of Roxannita, he always with his good humor, he attended all our family gatherings in our house in Rutherford, NJ. For many years, we celebrated Christmas in our house and the farewell to the new year with friends and family in his and comadre Amandita's house. I, Jose Ángel, had the honor of working with him in a North American company for a period of 15 years. He was a teacher and friend, teaching me about his expert knowledge in the automotive field. We will always remember him as a good friend and good man. RIP mate!!!
