“ *The entire Phelps family from Ashtabula, Ohio extend our deepest sympathy in the passing of Uncle Joe. We all have very fond memories of spending time with the Blazas family in Ohio. We always looked forward to visiting, especially the huge 3 story house in the Burton area. Can't quite remember where it was, but we always had a great time there. Our last visit with Uncle Joe was about 3 years ago in Cape Coral. We would love to get back in touch with all of you. Please feel free to contact me at anytime.*
