“ *So many memories and great times will be cherished in my heart for the rest of my life. Think of you often and hard to believe you are gone from this life but God has a new Angel in his Kingdom. RIP and I know you are looking down.*

“ *I miss my good friend Mike. I miss how kind he was to all he knew...and the genuine kindness he showed those he didn't know at all. I miss how he looked you in the eye when he spoke to people-- everytime, all the time--and how he cared deeply about the casual question: 'how are you doing?'" I miss his calmness and wisdom. I miss how God seemed to shine through his soul. I miss his encouragement--constant encouragement. I miss his beaming stories about his successful daughters. I miss his class. I miss very much-- his cheery smile. I miss his irreplaceable friendship. I miss my dear and kind and good friend....the one and only Mike Galvin.*

“ I'm saddened to learn of Mike's passing. I had the privilege of working with him due to my company's relationship with the BBB. Mike always had a positive, warm demeanor and he really loved his work and the people he worked with both at the BBB and in the community. He will certainly be missed by many.

“ My deepest sympathies. I met Mike in 2014 when I launched a consumer protection segment at a South Florida television station. He was a kind soul with a sharp wit who was always there to assist our viewers. He was a true consumer advocate who was both dedicated and proud of his tireless work to help the community. He will be greatly missed. I feel blessed that I had the pleasure to work with him.

“ Mike, You were such a big part of my daily routine when I arrived to work each day, I will truly miss our talks about sports, politics and current events. But most of all I will miss your kind, encouraging, thoughtful charismatic nature and the way your presence would light up the room. My heart is heavy, but I am comforted to know you are now at peace. Rest my dear friend, Stephanie
