“ I worked with Joe at Pepperidge Farm & my husband & I became very good friends with him & Marianna & their family. We visited them often in Nebraska, Massachusetts, & then in Jupiter, Florida. We played pinochle every day from right after breakfast until midnight sometimes. Once Joe sent me all of the scoring records of the games, which Marianna & I usually won. Joe would tease us about having all the aces! Joe was a terrific pinochle player, usually bidding before looking at his cards. I will miss him forever!

“ I was lucky enough to meet Joe and Marianna when I was a Nurse at D' Youville Senior Care. Joe's Mother Mary was on the floor where I worked. He was always so kind, so appreciative, and never missed an opportunity to bring a Panera's pastry ring to the Unit.. His smile and laugh was infectious. I am sure he will be greatly missed by many. My deepest condolences to his family and loved ones~ Donna Adams

“ I have so many great memories of my brother in law Joe. Some of my favorites go way back. When he was dating my sister I used to pretend to be her on the phone. While she was still at UCONN he would take me to the movies. And the best...the three of us were driving from PA to CT and they drove off and left me at a gas station. Boy I loved that guy and still do. Happy Happy Joe Joe. Love ya Carolyn

“ Joe was a wonderful man, husband, father grandfather and friend.. Some people talk religion, and being good. Joe lived it. He lived by example. Not telling you what to do but by gently showing, and letting you decide what was right . He was fun. Always Happy Happy. God Bless you my friend. Thanks for being there for me. RIP See you soon.
