“ Dear Louie and family,

I am so very saddened by this news. I have such happy memories of the 4 of us together when I was married to Freddie.

I had such fun times with her and you and I will always keep them in my heart.

Wish I could be there right now.

Love, Gen

“ To Uncle Louie and Family, Remembering many fond memories of visits to your Florida home when I still lived in New York. Aunt Judy always had a smile on her face and was always a great person to be around, very easy to talk to. She will truly be missed - just keep in mind that she is in a better place. “ *To Lou and Family*

Judy was a strong intelligent woman who had a passion for her family and life.

My memories of her dwell not of her time in Florida but of times on Long Island. Of Sunday pasta and meat ball dinners, back yard barbecues, Christmas family gatherings, good times, sometimes down times, But Judy always had a smile on her face and that little laugh of hers. She will be missed. (God Bless)
