“ *I'm sorry to hear of Jud's passing. As a kindergarten through today friend of his brother, Penn, I was always a little jealous of Penn's having this older brother who toughened him up.....while I got stuck with three sisters!*

“ *It was with shock and sadness that I learned of Jud's sudden passing. The last time I saw him was when he came into Dr. Floyd's office, always with a smile and his outgoing personality. .He was a hard working guy and instrumental in keeping family history alive. The Plantation bell is preserved for future generations to see at the Lighthouse thanks to Jud and his dedication....My sympathy and prayers for his family and may the void left in their hearts with his passing, be filled with the great memories all of you made together.*

“ *Many great memories of "Juddy" (as he was known way back then) in Rose Valley and at RVSP. He was like a big brother watching over the pesky little blonde girl. What a great guy. I was fortunate to get to know him as an adult later on in Tequesta. What a privilege.*
