“ *My Dear Mom, today is five months since you went home to be with Our Lord. I miss you so very much. Today I added some photographs of you with the beautiful roses you enjoyed so much. Also photos of the beautiful rainbows that were seen here in Florida the evening of your funeral, June 19, 2020. As you were passing from this life and I held your hand, I asked if possible for you to send me a rainbow to let me know that you are OK. And Gary saw the rainbows here in Florida - photos taken from our front yard, also photos taken by friends and one was taken on the beach in Jupiter in front of the condo where you used to live for many years. The following day, June 20, 2020, Jayne and I saw rainbows along I-95 as we returned home from the airport coming home from your funeral in New York. Thank you dear Lord for painting the sky with beautiful rainbows for my dear mom Julia. I miss you so much mom, may you rest in peace in God's loving arms forever. Your loving son, Len*

Len, I didn't know your Mother but knowing her son I imagine she was a loving Mother. You are an amazing man of faith. To have you and Gary were gifts of God's amazing love and grace . Prayers for your healing and rest . One last gift to your Mother is for you to live your life to the fullest now with Gary. Let the Lord, Gary and all your wonderful memories of your Mother give you comfort. Renna

I'll always have fond memories of staying at Ciocie's house during the summer. The cookouts were the best.
