“ Karen and I taught at SF Elementary back in the ‘80’s. She was a talented and caring teacher. She was funny and I love to listen to her adventures as she traveled to Mexico every summer. I am so fortunate to have known her. Rest easy Karen. ❤️🙏❤️

“ It was a pleasure to have the opportunity to work with Karen as an art teacher at Broward Estates elementary as well as Stephen Foster elementary. My most favorite memory of Karen is when we would string clothesline all around the school and we would have an art show where she featured every student’s artwork

She always made the table decorations for our Spaghetti Dinner that we had at Stephen Foster. And yes her art show was the best. So glad to have known her at Broward Estates and Stephen Foster.
