“ I was so blessed to have many fond memories of time spent with my Aunt Katherine during my childhood. I remember what a generous person she was and how fun it was to visit her and Uncle Tony's home in Totowa. How much I enjoyed that beautiful built in pool and tennis courts. It was like a magical place for me at a time of my life when family gatherings were so vital to me. Aunt Katherine always made me feel right at home at their home. Another special memory that will always be with me was that New Year's Eve gathering at their home in 1989 after Papa's passing. We had so much fun that night and I know Papa was right in the middle of it all. As I write this (even though Aunt Katherine is at peace and at an amazing place back home with her parents) I feel sadness begin to surface as we say good bye for now. Even though I was not able to see her much over the last 10 years, she was always in my thoughts during Christmas time. I will miss her. My condolences to you Uncle Tony, Anna Marie, Tom, and Jan and to all your beautiful family. With love and gratitude for you. God bless you....your cousin, Steve Stadler
