“ *I very much wanted to see you in person today and feel terrible that I could not make it. My heart is there instead.*

God Bless you April, and may Kevin rest in heaven and watch over you all as I am sure he will.

We never know what plan God has in store for us, but we must believe and have faith that it was in his name.

I only have good memories of Kevin and you, and our last meeting at a wonderful place to be!

Please take care.

Love and Peace Always in your heart
