“ I lived in Franklin, NC for many years and met Kyle and Emogene at the local flea market. My husband and I used to go their summer place and we would go to auctions in Bryson City. I loved to hear Kyle's stories when he was a principal. Kyle would always make you laugh! Kyle and Emogene were wonderful people. I will always treasure their friendship.

With warmest regards to all the family,

“ Kyle was married to my Uncle Ance and Aunt Gertrude Hackney's daughter Emmogene. My mother was Althea McCoy, daughter of Victoria Hackney McCoy May. Kyle taught my brother Bob at Belfry High School. I had the pleasure of getting to know him through the Pond Creek Reunion. He is so missed by this friend. I will keep his family in my prayers.

“ My mother, Opal S. Hatfield, taught with Emogene at Belfry Grade School in Belfry, KY.

Kyle taught at the High School. Emogene taught my brother, Teddy Clyde Hatfield, and me in the seventh grade. She was my favorite teacher. They lived at Hardy by my grandfather, William Jefferson "Jeff" Hatfield, when he was married to Aunt Zettie Scott. We truly loved her! She was part of your family, I believe.

Our families were very close friends. My mother lived to be 44 days short of her 101st birthday. We would see Klye at the Pond Creek Reunions at Prestonsburg, Ky.

You have the thoughts and prayers of the Hatfield Family, as well as, many fond and loving memories.

“ Kyle,

Sorry to learn of the death off your dad.

I always look at the house at Toler as I go to Matewan and smile.

Those were good years and our parents were the reason why.

*God Bless,

Praise be to the God and Father of our Lord Jesus Christ, the Father of compassion and the God of all comfort, who comforts us in all our troubles, so that we can comfort those in any trouble with the comfort we ourselves have received from God.

“ I will forever remember Uncle Kyle's visits from when I was a kid of about 12 years old. A department store in Mesquite had a little section of Texas themed books and souvenirs. There was a series of single panel cartoon books called "Cowpokes" about cowboys during western times. He would read them and just cackle with laughter. I remember laughing to tears over and over again every time we went there, as much about Uncle Kyle's laugh than the material itself. Those times have stuck with me as to what a fun guy that he was, and I will always remember him.

“ What a wonderful fulfilled life Kyle experienced, he enjoyed everything, full of joyous laughter and fun. He was a very concerned and caring man, always a gentleman. Johnny and I often talked about how full he lived his life and how we hoped if we ever lived to be as old as he was to have the capabilities and health he had. You could never forget his laughter it was loud and fun, he loved to laugh and boy he did. We will miss him and the times we had together but are at peace with where he is today. God Bless Kyle P. Scott a good man.
And all I can say with a sincere Kentucky drawl is " Welllllllllll"

“ As a student at Pahokee High in the late 50's and early 60's I had on more than one occassion reason to be in Mr. Scotts office. He was no nonsense but fair. Through the years I have been friends with Kyle Jr. and Mr. Scott. He was a professional educator and a fine gentleman. He liked to laugh and often did. I held him in high esteem and I am proud to call him friend.
