“ *Les and his wife Faye were very active supporters of the Palm Beach Division of the Children's Home Society. Until recently, Les served as a member of our CHS Board of Directors, a position he held for many years. He was also very involved in the annual CHS 5K race, which serves as a important source of funds for the programs that serve our at-risk youth. Les Woods was a good-natured, compassionate man whose efforts made a difference in the lives of many children. I extend our most sincere sympathies to the Woods family on behalf of the entire Board of Directors of the Palm Beach Division of the Children's Home Society of Florida. He will be missed.*
