So sad to hear of your loss. My family and I are left with the most wonderful memories of our Unca Mac going way back to my childhood, and our parents childhoods. Although he is no longer with us, those wonderful memories will remain forever! God bless you and your family.*

“ Donna, Keith, Doug, and family,

Wish Donna and I could have been there today to say goodbye to Les. We just got back to St Augustine from our trip.

Donna, I am so thankful that on my last visit to West Palm Beach I was able to stay with you guys and visit with Les one more time.

The YMCA profession doesn't seem to attract men like Les anymore. He was a Leader and a great friend and a mentor to me. I learned so much from about both the YMCA and just being a better person. He was a good man who made a huge difference in the lives of those of us who have had the opportunity to know him. I will miss him greatly.

“ Enjoyed the friendship and open arms policy he extended to me on the cruises.

He covered all the bases when he organized those cruises for the Squadron. He had a way of making me feel comfortable and a part of the group.
