“ *Grandma, Just looking at your photo makes me hear your laugh. It's like your in the same room with me. I can't believe it has been over a year since the last time I have seen you part ways from your earthly body. No words can describe how much you are truly missed here. Family gatherings are the same without you BIG HELLO being yelled across the room as we would enter your door. I wish I would have spent more time with you. You were the strongest woman I have ever known grandma, and I know God is using that strength to help finish build his kingdom for us. I know everyone else in heaven must love you up there. Your spirit is full of happiness, love, and laughter. I can't wait to see your beautiful smile again grandma! There is not one day that goes by where you are not thought of in the Lachance family.
