“ *Lily had bad thoughts about herself a few days before she passed, me and my friend Lena called her on our way home from the bus stop and told her we both loved her and to not do anything to herself because we cared for her, I know me and lily were not as close as most people were with her but the year we spent together in 2nd grade will be unforgotten, just like her memory in our hearts.* ”

Words cannot express the sadness I feel in my heart to hear that you were no longer with us on this earth, but to know that you exist in heaven with the Lord our Father. I always remember the wonderful times we share at the home in Caloosa such a sweet wonderful little girl.

May your memories bring joy to all of the people you have touched in your life you will be missed, but never forgotten? RIP Lilly Rae
