“ *You did your best to show others how much you cared. My only hope is that you realized just how much we all cared about and loved you. It was reassuring to know you were always there with an open ear and heart not only for us, but especially for your grandchildren. You were there for birthdays, graduations, and other important celebrations even if (at times) you really just wanted to stay home. We loved you for that. Chris and Nicole say you loved all of us the best you could. I believe they are right. In my heart I feel that you are reunited with Joe and truly happy again. You are loved will be missed.*

I appreciated so much you both inviting me to share your trip to the great Niagara Falls. We have so many wonderful memories !

Rest now, Linda. You are now at peace !
