

## Linda L. Martin

April 3, 1948 - August 6, 2021

Linda (Bonassi) Martin of Tequesta, FL and formerly of Green Tree Borough, PA unexpectedly passed away on Friday, August 6, 2021 surrounded by her loving family. Linda was the daughter of the late John and Mabel Bonassi. She is survived by her loving husband Buzz Martin, her brother John (Adele) Bonassi of Green Tree Borough, PA as well as Denise (Neal) Vander Waal and two Step Grandchildren, Neal and Aaron. In addition to her immediate family Linda will be missed by her many friends and her devoted puppy Bernie and her three cats.

Linda was a nursing student at Duquesne University in Pittsburgh and then entered the business world as a Sr. Vice President for Greyhound Corporation headquartered in Phoenix, AZ before finally relocating to Tequesta, FL. She enjoyed traveling, spending time with her many friends and family, gardening, yoga and golf. Linda was also very passionate about her past service on the Board of Directors for Tequesta Country Club. Her infectious welcoming smile and boisterous personality immediately warmed every room she entered. With her large and compassionate heart she made the world a better and happier place for everyone that knew her. While we can never fill the void left after the angels took her to heaven, the world is a better and happier place because of her.

Family and friends will be received on Wednesday, August 11, 2021 from

12PM to 1PM followed by a Funeral Service at 1PM at Taylor & Modeen  
Funeral Home 250 Center St., Jupiter, FL. Burial will be private.

“ *We cannot believe Linda is gone - she will be sorely missed by all who knew her. We are Linda & Buzz's neighbor and remember her as very smart, full of energy and always fun to chat with. Linda had a diverse range of interests and deep knowledge of many subjects from home improvement and landscaping to boating and pets. Buzz, we are deeply sorry for your loss. Bob & Mary Ness*

“ *Linda was special, a free spirit so full of life. She would tackle any hurdle she faced with a vengeance and a positive attitude. We had the best fun on our boats in the Bahamas, fishing diving all day, cooking our catch and partying on our boats, having many many laughs. Our summer trips together with Linda Buzz Jack and Faye will always be cherished memories. Linda was devoted to Buzz, making sure he had every convenience to make life easier. I know I am joined by many who will miss Linda as I do already. This is a tremendous loss to us all! May God bless you Linda and keep you with Him. Love, Nancy and Bob Roe*

“ Linda was my dear friend. .

*I miss her already And I will miss her every day for the rest of my life.*

*She was supportive and tried to help me see the positive things in life. Linda was fun and intelligent and knew so much about so many different things. We shared many important moments in life We shared our joys and sorrows and even our dreams.*

*Even though we were far away for too long we remained close and we were always there for each other in mind and spirit*

*Linda loved Buzz and tried to give him all that he needed I hope with some time he can remember with a smile how she wanted to keep him happy and healthy.*

*Linda knew our Heavenly Father was preparing a heavenly home for her And she was curious about what it would be like. She looked forward to seeing her Mother and dear Daddy and others that have gone on before.*

*I loved Linda with all my heart and heaven is nearer and dearer because I will see her there .*

*Andrea Robinson.*
