“ *Lo Lo was always caring and very sweet. we ust to have so much fun playing bingo together. she was the same age as my Mother and when my mom past away I always kiddid with her she would remind me how old she was as my mother. And she always would say on the last game double bingo right so that became old hat to say even when she wasn't there we would say Double bingo LO LO! To family and freinds she will be deeply missed. I was also her neighbor and would some time walk over and visit with her though not enough. My heart goes out to her family God bless you and help you find peace with her passing.*
