“ *We knew Tom & Lorraine from many good times sailing and laughing with her and friends. We knew Lorraine as "LuLu" and will always hold the memories of her in these good times in our hearts. Lulu was always the most gracious and smiling person in the room. Even when her medical battles began years ago, she kept a brave and happy spirit with a determination to be well again. Lulu's spirit will always leave us inspired. We will keep her and her memory in our hearts for all our lives.*

Tommy, Your unwavering love and support of Lulu through the many battles is a model all family members should aspire to.

For all the family, we send our deepest condolences for your loss.

Thoughts and Prayers are with all of you with the loss of Lorraine. I was fortunate enough to have met her through Giana. Our daughters go to school together and I would see Lorraine on occasion when picking up my daughter. She was always smiling and kind. God Bless All of You. God Bless Lorraine.
