“ *Dad-today is the one year anniversary of the day you entered into eternal rest. There are questions i wish i had gotten answers to. I miss talking to you and your annual visits to New Jersey. I wish we could have been closer but our lives didn't allow that. I hope that in your resting place that you go back in time to happier times when we were all together. I miss you...*

“ *Dad,*

I will miss you terribly and think of you always. You will forever be in my heart. I will think of you whenever Frank makes homemade pizza. We had our differences of opinion at times, but my love for you never wavered. May you rest in peace for all eternity.

*Love you forever,
Louise*
