

Lynette Yvonne Presjack

May 22, 1968 - September 8, 2024

Lynette Yvonne Presjack, a loving, dedicated and caring wife, mother, grandma, dog mom and friend, passed away on September 8th, 2024, at the young age of 56.

On May 22, 1968, Lynette was born to Marty and Kenneth Whited in Fredericktown, Ohio. A few short years later, she began her journey to Jupiter, FL where she would grow up and go to school, graduating from Jupiter High School.

After graduation, Lynette would become the proud Mom of her five boys and married her forever husband, John Presjack.

Lynette was a passionate and loving woman who was so very loved and respected; she will be missed by many. If you knew her, it was obvious how much she loved the beach- she could be there all day! She paddle boarded, snorkeled and fantasized about mermaids. Somehow, in between that, she still found a way to be the best Mom, wife and an even better Gamma. She spoiled her puppy dogs, too. And, when her grandson, Chase, was born you could just feel the genuine love and joy that she felt for him.

Lynette loved to entertain and just be with her family. She was always in search of the next 'best' Pinterest recipe and insisted that everyone come

over to try it out! And, she loved to shop! She was a collector of things- if you know, you know... Lynette decorated and celebrated every birthday, every holiday, every special occasion. There were so many things she enjoyed- movies, bike rides at Riverbend, random road trips across the U.S.

Lynette was always in search of love and peace. May she now have that for eternity.

Lynette is survived by her husband John and her five boys Brian, Beau, Robert, Cody and John.

Help us celebrate Lynette's life on Sunday September 22nd, at Taylor & Modeen Funeral Home at 250 Center Street, in Jupiter. A Visitation will be held from 1:00pm to 5:00pm and a Memorial Service will be held at 4:00pm. A gathering will directly follow the service at the Presjack's family home.

While flowers are welcomed, should you want to make a small donation in Lynette's memory, she loved, both, Loggerhead Marine Life Center (<https://marinelife.org/give/>) and Busch Wildlife Sanctuary (<https://buschwildlife.networkforgood.com/projects/74099-program-support>).

“I heard the news the other day, heartbroken as all of us are that new and loved you. My condolences to your family. I know whenever I would post something about rollerskating and Atlantis you were always wanting to go. I know a few times you did. Whenever I see mermaids, I'll always think of you. Love you. Lynette will always miss you.

“ I met Lynette 26 years ago and I soon after became little Beau's stepmom. Lynette and I talked, texted, and shared stories mostly about little Beau and we worked together in making sure he was raised in two loving families. I can hardly believe she is gone. It's devastating....Our hearts go out to Jay and all the kids she loved so very dearly. I will always remember her, and I will do everything in my power to be there for little Beau and love and protect him in her honor. I will always make the Christmas cookies she made me every year in her memory. Rest in peace beautiful mermaid. Until I see you again. xoxo Love, Lori Deutsch

“ Jay and Lynette were some of the first people we met at Christ Fellowship when we moved to Florida 5 years ago. They immediately asked if they could help us move and graciously befriended us. We got to witness their baptism and love for the Lord and His Word. May God comfort your family as they cherish precious memories of your love for them. -Troy and Treva Fleming

“ It was on my mother's birthday 24 years ago I welcomed Lynette into our company and family. In short order her genuine warmth and kindness made it easy to feel like you knew her a very long time. All of us at All County Insurance knew how automatic it was to know and expect Lynette to be there for what was ever needed. Working out of the same office together for more than two decades became almost routine. One that will be difficult adjusting to for all of us. Will miss seeing her daily and the extra warm welcome of her two dogs when I showed up each day. Jay and all her sons will have the memory of wife and mother knowing she gave all the love to her family and friends she could. I pray that God can ease the sorrow Jay, her sons and rest of her family and fill their hearts and minds only with the cherished memory of a loving person. God has reserved a special place for her in heaven.

I am at a loss for words. I remember the day she got hired at all county insurance. She was definitely a one-of-a-kind genuine person. Throughout our years of working together we had many discussions about life. She helped me out during a very difficult time. Was like a big sister we just talked last year and she said next time you visit stop by work and see me. Thoughts and prayers to John, the boys, All County, and all her friends and family. She will be greatly missed.

“*Lynette and I met and became BFF's years ago. We shared many adventures, laughter, tears, fights, forgiveness, long talks and walks on the beach or on the phone. She loved her husband, family, pets and friends deeply, she made sure you knew you were loved, warts and all. I'm happy she found and built a relationship with God and shared her faith with us. I miss her but know we'll meet again.. See you soon Old Friend.*”

“ *Lynette was a kind and generous person who loved her friends like family.*

She loved her husband, 5 boys and her pups more than anything and I know she will be watching over them all from Heaven.

What I will miss the most is watching her grow in her faith. I am at peace knowing that she is with our Heavenly Father and can be pain free💕💕
