“ I just read an old article in the Daily Mail about Madeleine from when she was 100 and was wondering how long she lived. Nearly 103 years is a remarkable feat. Wanted to pay my respects for the family so they know that her memory and her legacy will forever be immortalised and people will always be thinking about this beautiful woman

“ Sorry to hear of Grandma Otto's passing. I remember the most kind and loving woman who never forgot me or my daughter. We exchanged letters, pictures and phone calls for over 10 years. I cherish the times I got to see her and always looked forward to our letter exchange. I am devastated to hear of her passing as her birthday has approached and I was getting ready to send flowers to her. Rest In Peace Grandma Otto. ?

“ I was getting ready to call Madeleine on her 105th birthday on Wednesday October 18th but then we did a name search and found that she passed away in April. Kathy and I were at her 100th birthday celebration and I have called her every year, before and after to wish her a happy birthday. She & Ed were friends of my mother and father, Karl & Viola Rothfuss, for many years at the Little Club and I always stopped to see them when I came to visit. She was a great lady and we are so sorry for your loss. God bless her and may she rest in peace.

“ I just learned of Mrs. Otto's death. She was a kind and giving person. She was a gifted cook. I remember at my Dad's funeral she made the most delicious macaroni salad and everyone was saying they couldn't stop eating it. She gave of her time and energy taking care of my sister ( her daughter-in-law) when she was dying of cancer. And then to see her two sons and grandson predecease her was truly heartbreaking. She was truly a unique and intelligent woman. I once said to her whatever it is that keeps you going, you should bottle it because a lpt of people could use your formula.

“ Sorry to hear of Madeline's passing. She was like a mother to me, and I always called her MOM... Such a loving, kind woman. I will miss our conversations and the notes and cards she would send to me. I knew something was not right when I tried her phone and it was disconnected. Sincere sympathy to the family, I will feel her loss.. Sincerely, William Kraham 12 Tiedemann ct Monroe, N.Y. 10950
