

Malcolm Brown

April 4, 1935 - September 27, 2024

Malcolm Brown, 89, beloved husband of Donna and beloved former husband of Josie, passed away on September 27, 2024, in Port St. Lucie, FL.

Malcolm was a loving father to his children Lee, Joanna and Juliet and his grandchildren Olivia, Nicolas, Logan, Londyn and Kylee. Malcolm was also a loving step-dad to Stephanie and Thomas and a loving step-grandfather to Michael, Ava, Trey and Leila.

Malcolm was a warm, caring, compassionate man who had a genuine love for family, friends and strangers alike. He touched the lives of all who met him and will never be forgotten.

He enjoyed a good chat and had many stories to tell. Malcolm lived life to the fullest and travelled the world making friends along the way. He was born in London, England and in his earlier career was a speedway racer for Hackney and Leicester where he was affectionately known as "Brownie" Clown Prince of Speedway. Remembered for his antics both on and off the track Malcolm was the ultimate showman, he loved the spotlight, always happy to grab the microphone to give a song or tell a joke or two. He moved to south Florida in 1988 and lived in Jupiter and Port St Lucie.

He leaves us all with a void in our lives that will never be filled but we know that he will be entertaining his new audience in Heaven.

A Celebration of Life will be held at a later date.

“ *Malcolm was a man I only met a handful of times in person, but I spoke with him fairly frequently over Facebook, especially during Covid. I was lucky enough to build a strong enough relationship with him I considered him a friend. The aura he had was one of a kind and something that will be greatly missed. I'll personally miss his stories. RIP you'll be missed.* ”

“ I first met Malc at old Leicester speedway back in the late 60's early 70's and as I was often in the pits with other mates/riders I got to know him to nod to and occasionally help him bring his kit in etc.. As time went on and I attended more often, I would chat with him in the 'top bar' at the end of a meeting and Brownny always had a joke or two....or more to tell. My wife Lynda and I re-found him as we got to know Steve Luxton and his family in Florida on Facebook and as well as seeing Malc over here for a surprise birthday bash for him some years ago, we also saw him as the new Leicester speedway got going and we also went over to Florida to stay with Steve and Julie Luxton and Malc came round and took us out for a breakfast meal and we chatted for hours..... I had a lovely Facebook chat with him only a month back after we had enjoyed our usual speedway Bar-B-Q here at our home and Malc said he had enjoyed seeing the photo's and the videos and the sound of the bikes etc.... He became a great friend and will be missed.... Condolences to all the family and friends Miss you mate. Trapper ;-)
