“ *It's 3 weeks mama. How am I supposed to navigate this world without you? I will because you'd want me to.*

“ *Marge was a wonderful sister-in-law who always thought about other people and liked nothing more than connecting people who had things to get rid of with someone who could use those items. We will miss her special way with her grandniece Brooke. I will miss our telephone calls and visits. She's with the angels. TSDMN*
