“ *We remember all those Christmas Eve dinners with your wonderful lasagne. Your Mom always claimed not to be hungry but somehow she cleaned her plate! She was so happy and funny, laughing all the time. She'll be with us in our hearts every Christmas, even though her chair is empty. We'll have a toast and a laugh in her honor. Know that you are loved and we're thinking of you during this very difficult time. Hugs...*

“ *There are many fond memories we have of Marge and her beautiful smile. One that will always be in our hearts was when we took both our moms to Guannabanas for lunch and enjoyed a very special time.*

May this and other happy memories carry you through this sorrowful time and know that we are here for you. With sincere sympathy, Ed and Nina

“ I will always remember Marge's great smile and the laughs we had over lunch. She loved her coffee and always asked if it was just made.

She was a wonderful and remarkable lady. She is now in heaven and at peace.

With heartfelt sympathy,

Joyce

“ As we have always said, we're never ready to lose a loved one. As much as it hurts us, know that your mom is smiling down on you Pat! You have always been the dutiful and loving daughter that we know your mom considered her pride and joy. Know that she is smiling down on you and your family knowing that you all did everything you could to make her comfortable and safe!

With Deepest Sympathy,
