“ I was blessed to meet Pearl when I first began working at the Overland Park Convention Center. She was such a joy to talk with as she whipped up coffee and snacks at our café. I always loved chatting with her and hearing about her family and travels. Pearl will always hold a special place in my heart. My condolences to her family and friends...

“*Pearl was so aptly named. What a treasure. A "pearl of great price." She worked at our Cyber Cafe in Overland Park Kansas. I loved her stories and her wisdom. I loved her. I bet she is dancing on the streets of gold! She will be missed.*
