“ *What a great person and friend Marge was to me. In 1974 I was interviewed by Marge to work at the JMC Out Patient Center that started in Sal Haven retirement facility. She was not only a boss, she was a mentor and wonderful friend to everyone . We saw the out patient center be built, the Pavilion, and our wonderful hospital Jupiter Medical Center. Marge was a part of it all. You never walked past Marge without her amazing smile directed to you. She will be missed, but anyone who knew her will have a friend for life. Her family was the joy of her life. Mary Ford*

“ Marge was one of the first people I met when I started at JMC in 1989, as she was for most new employees. She was a gem. I always said that her nurses cap should be bronzed. It was a privilege to know her. My thoughts and prayers are with her family.

“ Dear Judy, Cathie, Dave & families,

We are so very saddened about your mom's passing and the significant loss to our Reaney family. Aunt Marge was one very special aunt and a beautiful person both on the inside and out. I loved so many of her qualities, but most of all, her strength, beaming smile, and great laugh. What a blessing she was to all of us! It was wonderful seeing her when our mom passed two years ago, and it is comforting to think that she is reunited again with your dad, our mom, Aunt Carolyn and G'ma & G'pa Reaney. We are sorry that we cannot be with you to celebrate her beautiful, full life; however, we certainly are thinking of and praying for all of you as you release her into God's hands. Sending each of you much love during this difficult time.

All our love, Mary Martha, Michael, Matthew & Christopher

“ She will be dearly missed. It was a joy to live next door to Marge for almost 19 years. She had a generous heart. If Marge new you needed something and she had it to give, it was yours. She loved the kids even after they grew to be teenagers and young adults. She took such pride in her own family (children, grandchildren and great grandchildren), sharing all their accomplishments. She loved having them near by and appreciated their care and closeness. Marge was young at mind and had a great sense of humor. I will miss our occasional glass of wine and all the stories about raising a family in Jupiter/Tequesta in the 60's. Be at peace, she is with those she loved who preceded her.
