“ Maria was a very special employee and friend. As an employee, she was the best! No one can compare with her energy, honesty, knowledge and willingness to go above and beyond what was expected of her. I would tell her to take a break and/or sit and relax for a minute, which she would never do. She smiled from the minute she entered my home and tirelessly worked each minute she was here. During the many years she worked for us, both my husband and I grew to love Maria and looked forward to seeing her each week. During my husband's serious illness, she sat and watched over him and would encourage me to go out for a walk. God love her! Rest in peace, Maria. You were a blessing to all of us. Love, Mrs. Klaben
