“ *Marilyn was a close friend of my parents Frances and Willard Cannon who are still alive and sadden by this news. Marilyn stayed in our home frequently for so many years and we had many funny times. Our home was always more fun when Marilyn was visiting. Many friends at Winchester County Club have fond memories of Marilyn's humor not tjo mention her pursut of the perfect score in golf. She was younger than my parents and older than me which put her in that great category of fun adult / peer. She was a godmother to my daughter Cristina She is now with so many of her good friends laughing,playing golf and sking.*

“ "Chasie" was a golfing buddy for many years here in Jupiter . She wasn't happy recently but now she can play whatever course she wants, record amazing scores and hoist a couple after each round without any regrets. She will be missed by alot of swingers!
