

Mark Wesley Jividen "Poppy & Marky Mark"

June 12, 1958 - October 21, 2014

Mark Wesley Jividen, 56, of Jupiter, passed away at home on Tuesday, October 21, 2014. Born in Nitro, West Virginia in 1958 Mark and his family moved to Lake Park, Florida in 1963. He graduated from Suncoast High School in 1976. His career began at Fountains Department Store in Lake Park and ended at the Home Depot on Northlake Boulevard with the diagnosis of his cancer. Everyone is enhanced in some way by their experience with cancer and that is never more-true than with Marks' ordeal. He enjoyed life with family and friends, especially the great neighbors in the Hamptons Phase 1. Mark was a plethora of knowledge and could carry on a conversation about anything. He enjoyed fixing and repairing anything that broke or needed attention. He also enjoyed people watching at the beach and mall or watching his favorite TV shows Fox News and the Barrett Jackson Car Shows. Mark was a firm believer in Keep It Simple, Life Is Good, Travel Light and It Is What It Is. Thank you for keeping the family in your thoughts and prayers during this sad but bitter sweet time. Trust in the Lord with all your heart and lean not on our own understanding; In all your ways submit to him and he will make your path; (Proverbs 3: 5-6). Be still and know that I am God; (Psalm 46:10). His daily presence is going to be missed by his wife, Melody Daly Jividen; daughter, Tory Taylor Daly and his dogs Roxy, Laela and Stella Grace. His gentle and kind nature will also be missed by his mom, JoAnn Jividen of Palm Beach Gardens; sister, Debra (Giorgio) Schiavone of Palm Beach Gardens; nephew, Giorgio Schiavone of Palm Beach Gardens; son, Kenny (Jamie)

Jividen of Pennsylvania; granddaughter, Jaylin Jividen of Pennsylvania; daughters, Kellie and Stacie Jividen of Royal Palm Beach; grandchildren, Tiffany and Aiden of Royal Palm Beach; and many family and friends throughout the States. Mark is predeceased by his daddy who passed in 2010, Wilbur Jividen. Mark decided months ago that there will be no services and he is in Heaven looking down with that gorgeous smile knowing that his wishes will be respected. There will be a private gathering at his home for family and friends which will be arranged at a later date. In lieu of flowers donations in Marks' memory may be made to Relay for Life of Lee County Auburn University, 3054 McGehee Road, Suite C, Montgomery, Alabama 36111; along with your contact information and Tory Daly as the participant or at www.relayforlife.org, participant Tory Daly.

“ *We were neighbors in Lake Park that went to school together from elementary through high school and saw each other in passing at Home Depot and high school reunions. Small group meetings in recent years with lots of laughs at a beach pavilion or at Camilli's Pizza with people that we've known from 40+ years ago that can carry on conversations for hours about our past and present lives. My thoughts and prayers to Mark's family and close friends that you find some comfort in knowing you have a true gentleman with a genuine smile to protect and watch over you from his eternal life where there is no more sorrow, pain, and suffering. Especially to Melody; the love and care that you and Mark share for each other is alive and well, evident to all, and will remain in your hearts forever!*

“ *I first met Mark and Mel when they would walk in the park with their two dogs. Then came Stella Grace. Mark always had a big bright smile, even though he was going through treatments. After you moved to Jupiter, from Royal Palm, you were always in my prayers and thoughts and that will continue. Sue Loriol*

“ *Melody and family, Mark showed all of us how to enjoy life with humor, vitality, and zest. He also showed us how to leave this world with courage and grace. He passes these qualities on to all as we remember him. Be strong for each other.* ”
