“ *Mark A. Perrelli*

“ *In his true generosity, he bought a dinner for 20 at a cancer society gala and Frank Eucalitto - Cafe Chardonnay - would cook, I would serve and the girls would clean up after our mess. (its an Italian thing)*

It was a truly memorable night, especially because he supplied the Tignanello wine of which I was over served - as he was apt to do.

We ate, drank and were certainly merry.

Mark was always fun to be with and this night, in particular, will stay with us all forever.

*Love and thanks to the entire Perrelli family for all the good times.
He will be missed.*

All my best, Bob and Marie Silvani

“ Mark was a good friend and a great manager who I spent a lot of time with at Raymond James. He will be greatly missed. Mark was also one of my favorite people to hang out with at Summer Development meetings. He always had a special place to eat in whatever towns we would be at. Orlando was Yellow Dog Eats BBQ, Berns Steakhouse in Tampa etc. We had a lot of fun and the industry lost one of its best. To Sherrie we are so sorry for you and the families loss. He will be dearly missed by all.

Sincerely

Todd Mackler

“ Mark remains a very admired and loved part of the East Haven, CT. community even though he had moved away many years ago. He was Captain of the 1972 Football, Basketball and Baseball teams, National Merit scholar, Big 8 football starter, Bowl winner, etc. More importantly, he was a born leader and teacher. He was a quick and logical thinker. He had a warm and engaging personality that is evidenced in his smile. Witty and often a charmer, he also wasn't shy to tell you what he thought. He was a true friend.

I can share so many events in our lives from the age of 5 to 23. Games, antics, cars, dates, proms, a beer "here and there", parties, "The CORNER" ("where the files were kept on butts kicked and names taken"), Stillwater to Boulder runs, Deer Run, Foxon, Ferrara, Junior High and EHHS (virtually in every class together since Kindergarten), we even worked often the same summers jobs and... There is just so much... FUN! It will always be memories filled with hearty laughs, smiles and FUN!

And then time and life's demands seperated us but once together there was no gap to bridge. Too much new stuff to tell and too many events to relive. Communication was more than the words. We just got it.

But best of all, we became admiring Spouses and very Proud Parents. And always friends!
