“ I've known Martin for about 16 years. I am a server who had the pleasure of serving Martin and Shirley. Whenever I'd see Martin he would always say how are you Babe. I'll miss that also I'll miss Martins sense of humor. Always criticising my server capabilities but always coming back for more. Martin had a heart of gold. I remember when Shirley got so ill and Martin searched everywhere to find a place to make her better. He wouldn't let her go. I'm sure Martin and Shirley are at peace now being reunited. I will miss you my friend.
