“ *I miss you so much. I miss sharing the daily things in our lives that we always chatted about everyday. I truly miss sharing that with you. You really made our office a home away from home. It will never be the same without you but the memories will live in my heart forever and so will you my friend. Love Rose*

“ Mary Ann will be missed as we used to get lunch each Friday, she picked it and ran for it. We are both from South Jersey, Atlantic City, and know the same people but never meet till Al Packer. My God hold her in his hands.

“ MaryAnn, how can I thank you for all the years we'd go into CLUB POGO and fuss at pogo and the laughter at our pogo mini's.... Pogo will never be the same but I will never ever forget you ... MaryAnn I so wish that we'd had just one more day .. You we're so much more to me than a friend . They say time heals all pain , but my heart isn't letting go of the heartache . Dennis , Sons , & Family , I can't take away the hurt all of you are feeling , I do know our precious MaryAnn has a brand new body and all the pain has gone to never return . There will come a day when everyone of her loving children , grands , friends along with her devoted , loving husband (Dennis) will be with her again in Heaven ... I can't wait for that day that I'll see her once Again, in the meantime I will be praying for you Dennis , yalls family that God heals all the broken hearts .. I'm not going to say good by my friend , I'm just going to say I'll see you again ...
