“ So sorry to hear about Mary. She is smiling down on all of us. She so loved our group from church and I remember a meal at Dick and Mary's house and all the different plants growing all around. Mary always had a smile on her face.

“ Mary was always so kind to me both in and out of work. It is a credit to her character that she rose through the ranks in the harsh P&W work environment. Dick rescued me from a terrible place and my sympathy goes out to him.
